PROFILE

I'm a passionate web developer specializing in creating responsive, dynamic websites and applications. With expertise in HTML5, CSS3, JavaScript, PHP, Laravel, and .NET Core MVC, I build intuitive, high-performance solutions. I'm also skilled in MySQL, SQL Server, and Angular. Continuously learning and exploring new technologies, my focus is on delivering innovative web experiences that drive business growth and digital transformation.

WORK EXPERIENCE

TechnoCom Development
.Net Core Developer

OCT'2024 - PRESENT

- Currently, I am working as a .NET Developer at Technocom Development, where I contribute to the enhancement and maintenance of cloud-based software applications. In this role, I collaborate closely with senior developers to implement necessary updates and changes, focusing on optimizing functionality and performance. I also work with emerging technologies to ensure that applications remain innovative and up-to-date. Additionally, I am actively involved in working on new projects, helping to bring fresh ideas to life while ensuring they meet project requirements and uphold high standards of quality and reliability.
